OLD BUSINESS

Not reporting results to the media has become a problem. ADs discussed methods of reporting, including changing the responsibility from the home team to the winning team. The consensus was not to change the rule at this time of the year, the Ads will try to encourage their coaches to call in the results. One idea is to Email the results.

NEW BUSINESS

No request for a basketball format change was presented, the Ads did have a short discussion and decided to keep things the way they are.

All Conference Committee report – Jason Feuerbach, Whitney

The concept of paperless meetings was rejected. Most Ads preferred getting agendas and exhibits printed out.

SECTION & STATE ITEMS

How the qualifiers for playoffs in baseball and softball were determined was discussed. The Section uses the winning percentage of the league in playoff games over the past four years and selects the nine leagues with the highest winning percentage. CVC currently ranks 17th.

OTHER

Mike Triolo requested the date for the last Athletic Board Meeting be changed from Thursday, April 23 to Tuesday, April 21 because of a conflict with the State Athletic Director's Conference. The Commissioner will look into getting the meeting switched.

Mike Triolo requested the time for the league BBQ be changed from 4:00PM to 5:00PM.
