#### **OLD BUSINESS**

Coaches are not posting the results of their games either in the Media or on Max Preps. ADs need to make a push to insure that their coaches follow up in their posting. ADs requested the Commissioner to remind them when results are incomplete.

The Winter Sport Dinner was a success. All the head coaches and many assistant coaches were in attendance. Only six of the eight wrestling coaches attended.

#### **NEW BUSINESS**

We had a Water Polo Tie breaker game to decide the number one and number two seeds to the playoffs between Ponderosa and Roseville. Roseville won.

Some confusion existed in the communication between the commissioner and the Water Polo Coordinator resulting in one additional All Conference slot being awarded Ponderosa. This is a one-time occurrence and not is not a precedence.

Girls Volleyball All Conference problem. Girls' volleyball selected two MVPs and a Coach of the Year which is not in compliance with the by-laws. Consensus was that the Coach of the Year award be thrown out but that both girls be allowed to receive MVP honors. A proposal to amend the by-laws in every sport will be made at the January Meeting. The proposal shall be to allow co-MVPs if a secret ballot is taken.

**SECTION & STATE ITEMS**

Changes to the Football and Girls Volleyball Playoffs under consideration at the State level were discussed.

A short discussion of the current proposal of the Section to change the Season of Sport for soccer to the winter was discussed.
