**NEW BUSINESS**

The football tie breaker will change from 10 yards to 25 yards starting with the Nor Cal Playoffs

There was discussion on the merits of allowing juniors to participate on sub varsity team. No conclusion was made.

The problem of students not attending playoff games was discussed. The price of admission charged to students was determined to be one of the main reasons. No action taken.

A long discussion on what the cheer competition will look like, with varying opinions. The Commissioner will meet with all the Cheer Advisors, hopefully before Christmas, to try to reach an agreement of how the CVC will conduct competition this spring.

Football and Basketball coaches have a gentleman's (gentlewoman's) agreement to not exchange films of teams in the league with schools outside the league during playoffs. A former coach at one of the member schools tried to exchange film in violation of that agreement. The ADs did not believe that any additional by-laws would be helpful.
