MINUTES

- The minutes for the March meeting as posted on the League Web Site were approved as written

OLD BUSINESS

- ADs were reminded that it is league policy to read the sportsmanship message prior to every basketball game.
 - Message should also be read prior to Soccer games and wrestling matches if there is an announcer.
- In conjunction with the new basketball baseline rule prohibiting anyone from standing in the free throw lane extended, the ADs voted to continue the policy where cheer leaders only stand on the baseline that their team is shooting toward.
- The ADs also including a new League Policy on where photographers may stand. All photographers must be at least five feet out of bounds at the corner of the court. If they are on the side they must be in the bleachers and they may not stand behind the baseline.
- Realignment meetings are scheduled to start in December. Each school is encouraged to have a representative in attendance.

NEW BUSINESS

- Antelope withdrew its request to host this year's wrestling meet.
- The Athletic Directors thought that there should be separate coordinators for boys and girls soccer. The current coordinator, Christie Wheeler of Bella Vista, is currently doing both. The ADs felt that that was too difficult for a single person to handle. The AD's approved the appointment of Brad Silverbush and the new coordinator for boys. Christie will remain as coordinator for the girls.
- A lengthy discussion was held on a request from Roseville to modify the current basketball schedule to have both the boys and girls varsity teams play at the same site on Friday nights. No official action was taken, schools wishing to play this format may make the change between the schools.
